## Northern Community Mediation Moves Its Main Office to Petoskey

On Tuesday, November 7, Northern Community Mediation (NCM) relocated its main office from Charlevoix to Petoskey. They are occupying the upstairs of the old St. Francis Monastery, which is located at 415 State Street. The new phone number is 231.487.1771.

NCM will maintain a branch office in Charlevoix. This facility will be located in City Hall upon completion of the renovations of the building.

“In the past, we have had to depend upon the generosity of local churches and libraries to have sites for our mediations. With these two moves, we will now have rooms at our offices for the mediations,” said Executive Director Dr. Jane Millar. “Our staff, mediators and Board of Directors anticipate being able to serve the public more efficiently and conveniently as a result of having the two offices.”

Northern Community Mediation is a non-profit organization that provides an alternative means of resolving conflict. Trained mediators, who meet with the parties involved in a dispute, facilitate so that the individuals themselves can resolve the conflict
