## American Veterans Mediation Program

In order to recognize the services of the men and women who have served or are serving in the armed forces, Northern Community Mediation (NCM) is proud to announce its American Veterans Mediation Program. NCM will place emphasis upon providing all of the same services for American Veterans as it does for the general population of Charlevoix and Emmet Counties. What makes the American Veterans Mediation Program unique, however, is the fact that all fees will be waived for American Veterans.

Waiving the fees for American Veterans is NCM's way of saying "thank you" to those who have served our country. Whether the conflict relates to a breach of contract, neighborhood issue, employment, parenting time, divorce, custody, guardianship, real estate, or other type of dispute, NCM is there to "help people resolve conflicts meaningfully in Charlevoix and Emmet Counties."

Thanks to the generosity of the Rotary Club of Petoskey, NCM was able to design and print a brochure explaining the American Veterans Mediation Program. Anyone interested in obtaining copies of this brochure should contact Dr. Jane Millar at 231.487.1771.

Northern Community Mediation is a non-profit organization that provides an alternative means of resolving conflict. Trained mediators, who meet with the parties involved in a dispute, facilitate so that the individuals themselves can resolve the conflict
