## Charlevoix Theatre Party

On Monday, October 9, 2017, Northern Community Mediation (NCM) will host its second-annual, Theatre Party in Charlevoix. From 5:30pm to 7:00pm, people will gather at East Park Tavern on Bridge Street in Charlevoix. A delicious array of appetizers (more than sufficient for dinner) plus non-alcoholic beverages will be served. Guests will be able to purchase alcoholic beverages, as well as have the opportunity to participate in a 50/50 raffle. At 6:30pm, there will be a drawing for some exciting door prizes. To top the evening off, at 7:15pm, everyone will walk over to the Charlevoix Cinema to see one of the three movies that is playing.

All of this is for the low price of \$25 per person. This amounts to a couple's being able to go out for dinner, go to a movie, and potentially win a door prize for the low price of \$50. Tickets are available by calling NCM at 231.487.1771.

In 2005, NCM introduced its first theatre Party in Petoskey. This event has been successful for the past 13 years. Because of its success and at the request of mediators, board members and community members, NCM piloted the Theatre Party in Charlevoix last year. People had so much fun that evening that there was no question that the Charlevoix Theatre Party would become an annual event.

Northern Community Mediation is a non-profit organization that provides an alternative means of resolving conflict. Trained mediators, who meet with the parties involved in a dispute, facilitate so that the individuals themselves can resolve the conflict

Anyone interested in learning more about Northern Community Mediation should contact Dr. Jane Millar at 231.487.1771.
