CHARLEVOIX THEATRE PARTY

Thank you East Park Tavern and Charlevoix Cinema. These two establishments were critically important in making NCM's inaugural Theatre Party in Charlevoix a huge success. The food at East Park Tavern was outstanding, and everyone thoroughly enjoyed the festive occasion and lively conversation. Unfortunately, the only picture we remembered to take is above. Oh, well, there is always next year. We have already scheduled Monday, October 9 for the big event.

MEDIATOR NEWS

1. Two of our mediators have recently had surgery. Bruce Herbert had knee surgery, but vows that he will be back and mediating soon. Same goes for Connie Saltonstall, who had back surgery.
2. The saddest news of all relates to mediators Rob & Ruthie Brown. It was Rob's brother, his wife and their son who were killed in a plane crash when returning from Colorado. If only words could remove the sorrowful pain.
3. Condolences to Board Member Bob Banner on the death of his father.

I don't like being around people who don't eat as much as I do.

A BIG HUG

Next time you see Case Manager Kirstyn Horan, give her a great big hug. First of all, Ben's and her dog Ava broke her leg and had to have pins put in her leg. On top of that, Ben was racing in the La Carrera Pan Americana races in Mexico. Ben was the navigator, and the person driving the car rolled it leaving \$100,000 or more in damages to the car. Fortunately, Ben ended up with only bruises and soreness.

USELESS FACT

On the side of all of the race cars in La Carrera Pan Americana races, the names of the two people in the car are listed along with their blood type and allergies. Makes a lot of sense.
