Holiday Party

Fun was had by all at Northern Community Mediation's (NCM) annual holiday party. On Tuesday, December 11, approximately 40 volunteer mediators, board members, NCM supporters and staff gathered together in celebration. And, there was much to celebrate.

It is always festive to gather with colleagues in a relaxed atmosphere for the purpose of having a good time. The party also gave everyone an opportunity to say congratulations on another successful year of service. By the end of the calendar year, NCM will have disposed of over 800 cases, impacting over 2,500 individuals and over 400 children. Additionally, glasses were raised to toast the ending of 25 years of service to the citizens of Charlevoix and Emmet counties, and going forward for another 25 years of service.

Northern Community Mediation is a non-profit organization that provides an alternative means of resolving conflict. Trained mediators, who meet with the parties involved in a dispute, facilitate so that the individuals themselves can resolve the conflict
