### WELL-RUN CAMPAIGN

Connie Saltonstall deserves to be proud and excited about her victory. Not only was she elected to the 1<sup>st</sup> District seat on the Charlevoix County Board of Commissioners, she was also complemented for the fact that she led a “clean, well-run campaign.”

Connie is also highly involved in other volunteer work in her community. We all know that she spends an incredible amount of time serving as one of our mediators. Additionally, she has served on the school board and the library project. In other words, Connie is a real asset to our community.

### IT’S A BOY

Board member Jill Ryan has a legitimate excuse for not attending the Theatre Party. She will be on her way to Delaware so that she can bring her newly-adopted son to Michigan. Oktaveon is seven years old. He loves Spiderman, and wants to be a Power Ranger when he grows up. We cannot wait to meet him.

### 10 HOURS BEHIND THEM

Both Nancy Sherman and Dee Dilworth have completed their internship by observing 10 hours of mediations. It is great to have them as full-fledged mediators.

### IN MEMORY

What a wonderful gift Leah Green left to all of us. It was her desire that anyone who was so inclined make a donation to Northern Community Mediation in her memory. We have received several generous contributions.

To those of you who have made a donation and to those of you who plan to do so, thank you. We will talk with Nelson, Leah’s husband, so that we use the money in a meaningful, appropriate way.

### WE ARE FOTUNATE

Roberta “Bert” Rousseau is our new Intake Coordinator. If you have not already met her, you will be delighted when you do. She has already been a tremendous asset

Additionally, we have an intern from North Central Michigan College. Melissa Duggan spends her Tuesdays with us. Among other things, she has brought our scrap book up to date, and is doing follow-up on closed cases.
