### Charlevoix Theatre Party

On Monday, October 14, Northern Community Mediation hosted its fourth, annual theatre party in Charlevoix. Approximately 100 people gathered at The Weathervane Restaurant at 5:30 to enjoy a delicious array of appetizers and drinks. There was a 50/50 raffle, as well as six wonderful door prizes were distributed. At 7:00, the doors opened at the Charlevoix Cinema so that guests could go to one of the three movies of their choices.

Although the majority of the people went to see Downton Abbey, some did choose to see The Addams Family, and a handful went to Joker.

This event is important from two perspectives. First of all, it is a relatively inexpensive way to have dinner and see a movie. Secondly, the fundraiser helps to support Northern Community Mediation and the services it provides for the citizens of Charlevoix and Emmet Counties.

Northern Community Mediation is a non-profit organization that provides an alternative means of resolving conflict. Trained mediators, who meet with the parties involved in a dispute, facilitate so that the individuals themselves can resolve the conflict
