NCM reserves the right to cancel a scheduled mediation if payment has not been received within 24 hours of the scheduled mediation.

NCM also reserves the right to waive or modify fees on an individual basis. There is no charge for Access & Visitation, Child Protection, School Attendance nor Victim-Offender Reconciliation cases.

If a case is not resolved following two mediation sessions, additional fees may be charged.

Northern Community Mediation reserves the right to decline providing mediation services to individuals who have not paid for previous mediation services.

In all cases, administrative fees for American Veterans are waived
