A Which Wich Fundraiser

On Thursday, April 29, Which Wich is donating 25% of its proceeds to Northern Community Mediation. This even includes what is ordered for catering. And, the generosity of Which Wich goes from 11:00am to 7:00pm. There is no need for anyone to make lunch, cook dinner or put together a snack. All anyone has to do is to go to Which Wich, place an order and then enjoy that Which Wich.

The menu is available at <https://www.whichwich.com/menu/> on the Which Wich website. Not only does the menu include Which Wich's signature favorites, there are vegan, vegetarian, and gluten-free options along with shakes, sweets and a kids menu. And, there is always the option of building your own Which Wich.

Which Wich is located in Bear Creek Crossings at 1592 Anderson Road in Petoskey. Start thinking about what Which Wich or Which Wiches you want to order. Consider taking advantage of the Which Wich catering service. Mark your calendar for Thursday, April 29 between the hours of 11:00am and 7:00pm. And, think about this. You might even win a door prize.

Northern Community Mediation is a non-profit organization that provides an alternative means of resolving conflict. Trained mediators, who meet with the parties involved in a dispute, facilitate so that the individuals themselves can resolve the conflict
